## My Favorite Food

In my opinion, tacos are the best food! Tacos are better than any other food because you can fill it with different meats, they are easy to cook, and you can fill it with different toppings. You should eat tacos at least once a week!

Tacos can be made in so many different ways. Any type of meat can be used. You can cook tacos with chicken, beef, fish, shrimp, or even just beans if you are vegetarian. That way many people can eat tacos how they like.

Tacos can be made very quickly if you are hungry right now. All you have to do is cook the meat, cut the toppings, and put it all in a tortilla. Tacos make a fast dinner, especially for Taco Tuesdays.

You also can add different toppings to your tacos. Popular choices are cheese, tomatoes, avocado, onions, lettuce, and sauces like hot sauce or sour cream. By having different toppings, you can make your taco unique to how you like it. Depending on your vegetable choices, tacos can actually be quite healthy!

Tacos are the best thing you could eat. If I had to eat only eat one thing for the rest of my life, I would eat tacos because they have different types, different toppings, and are so easy to make. What is your favorite type of taco?
