**Chevrolet Trucks 1955-1959** Dennis Parks,2021-05-25 Rebuild and modify your 1955 1959 Chevrolet truck with today's best parts Regardless of your automotive taste there is almost always a need for a shop truck to chase parts use as a tow vehicle or use for household chores that require a trip to the farm and home store Pickup trucks have always been popular but that is true now more than ever Plus they hold their own as hot rods as well Many vintage trucks can still be found in their original condition Unlike years ago the automotive aftermarket has now realized the popularity of these trucks Whether you plan to restore one as a mild custom or go all out the necessary parts are available which makes it easier to achieve your dream regardless of your skills or budget Veteran how to book author Dennis

W Parks resurrects a 1955 Chevy pickup as the subject of Chevrolet Trucks 1955-1959 Build & Modify to be used as a daily driver. Starting with a classic styled work truck he updates it with creature comforts that are found in new vehicles. Those that the average hot rodder can still maintain without having an electronics degree. Everything is covered including updating the front and rear suspension as well as installing disc brakes to provide a good foundation for your project. Body repair and modifications including installing patch panels, power windows, rotary door latches and a stylish third brake light are next. Interior components including the latest creature comforts that provide safety and convenience are examined. Mechanical components such as the engine, transmission, steering, cooling and wiring are included as well. Everything you need to know to build a safe and reliable pickup truck is included in this book. Most of the work featured is performed in a home garage which proves that you can build a decent truck within the confines of a two car garage without paying a fortune in labor.

New Cars and Trucks 2002 David Van Sickle, 1955. Thoroughly revised and updated for 2002, the guide that has helped thousands of car and truck buyers choose the right vehicle is now better than ever. Includes full color photos plus easy to read comparison charts, graphs and specifications.
