Ancient World History Guided Answer Key:

World's Story 1: The Ancients (Teacher Guide) Angela O'Dell, 2018-03-23 Ancient history is fascinating but it can be difficult to find material that teaches it from a Christian perspective. Even harder is finding a history curriculum that captivates students. But Angela O'Dell's newly revised *The World's Story 1: The Ancients* does both. Students will learn all about the ancient civilizations of the Middle East, Europe, Africa, Asia, and the Americas from a strong Biblical perspective. Focuses on History and interweaves a Christian perspective throughout. Features an engaging historical narrative. First volume in a three book world history series for upper elementary and junior high students. The text covers Biblical history also educating students about civilizations mentioned in the Bible including ancient Egypt, ancient Israel, ancient Babylon, ancient Persia, ancient Greece, and ancient Rome up to the development of the early Church. It also discusses other ancient civilizations from around the world.
