Lyons, Jeffrey Lyons, 2011-06-07 Most people remember me for two events both of which tested my faith in different ways I controlled o the other I did not I was in control of the home run I hit in the 1996 World Series against the Atlanta Braves which turned the Series around for the New York Yankees and eventually led them to their first world championship in eighteen years I was not in control of the 2007 car accident in which I was involved that resulted in the tragic loss of a woman s life I decided that I would not let my life be defined by either of these moments This is my story So begins Jim Leyritz s dramatic tale *Catching Heat* a thrilling spectacle of professional and personal highs and lows that take fans behind the scenes of life on the road in the locker room and ultimately to the defendant s seat in a courtroom From a struggling player fumbling through the Minors and finding resilience during disappointing trades to speaking his truth when others wouldn t Leyritz evolved into the epitome of a clutch player when it came to leading teams to victories when it really counted Well beyond a successful sporting career saga Jim s story is an inspiring example for anyone who wants to pursue a dream or learn life s lessons both hard and hallowed from a man who knows what it is like to live his **Scout's Honor** Charley Rosen, 2013-03-01 Brimming with truth humor and humanity bestselling author Charley Rosen lays bare the trials and tribulations of anyone who loves sports for the game of it not the business Naturally sarcastic a touch disillusioned but always the idealist Rob Lassner is an NBA scout who must assess the potential of high school and college players while

appealing a shit for brains owner who wouldn't know a crosscourt pass if it knocked the silver spoon out of his blathering mouth Scout's Honor is the story of one man's attempt to balance his love for the purity of basketball with the below the rim bullshit side of the game that pays his bills With charming irreverence and colorful prose Rosen's novel is steeped in both literary richness and the art of the jump shot
