**Anger Management Workbook For Kids** Marissa Blake,2020-01-08 Teach Your Children to Control Their Emotions Manage Their Anger Issues and Improve Their Communication Skills Does your child often throw temper tantrums talkback and have anger outbursts Are your children struggling with controlling their emotions Do you avoid

playdates and socializing with other families because you're worried about the impulsive reactions of your kids. Anger and frustration are common and normal human emotions experienced even by very young children. Most children go through a phase of throwing tantrums and being little drama kings and queens. However, if these situations happen often and are left unaddressed, they can result in serious anger control problems in the future. Understanding the source of the kid's anger is the key to teaching them how to control their emotions. Sometimes children copy other people's behavior, and other times different media such as movies and video games influence them. As a parent, you can't control these influences, but what you can do is to teach your children how to communicate their feelings and control their impulsiveness and their temper. This compassionate comprehensive guide on anger management for children will help you deal with your child's behavioral problems, teach you how to recognize anger triggers, and show you how to re-establish a connection with your kids. Here's what else you'll learn with this book: Causes and symptoms of anger issues in kids; Techniques for calming their emotions and controlling their anger; How to self-reflect and analyze your behavior to become a great role model; Anger management techniques for kids with ADHD, ODD, and kids with Asperger's Syndrome; Exercises and activities to help kids understand and express their emotions calmly; Constructive advice for dealing with your child if you're going through a divorce; Using yoga as a relaxation tool; And much more. Remember that you are not alone in dealing with these problems. Thousands of children and parents go through the same issues, and a great number of them expose their children to expensive psychotherapy sessions. While there's nothing wrong with that, experts on children's behavior recommend trying to deal with your children's issues at home in a place they feel most secure, by using proven cognitive behavioral therapy methods and techniques. That is exactly what this book offers. If you want to teach your children to control their temper, understand them better, and prevent future behavior problems, scroll up, click on Buy Now with 1 Click, and Get Your Copy Now.

**Anger Management Workbook for Kids - 50+ Fun and Engaging Activities to Help Children Regain Control and Become Calmer and Happier** The Mentor Bucket, 2023-04-08. If you're looking to help your child recognize, express, and manage their anger in healthy, productive ways, then this hands-on anger management workbook will do the trick. Children go through a multitude of negative emotions that they simply don't understand. Whether it's because bad things are happening around or inside them, they simply don't have the right coping mechanisms to help them manage the feelings that arise. What happens next is either they lash out or they implode, both of which are very destructive, not just for them but also for others around them. So how do you help them out with their feelings? There are a multitude of ways you can help. But the most effective way is to give them the tools that they can use on their own while making sure you're supporting and guiding them through all the entire process of dealing with their anger. In **Anger Management Workbook for Kids**, your child can work on 50 fun and engaging activities to help them regain control and become calmer and happier during challenging times.
