This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats tactics for the test and the law behind it. **Louisiana Notary Exam Sidepiece to the 2021 Study Guide** Steven Alan Childress,2021-01-28 NEW 2021 EDITION

of the best selling notary prep guide to the difficult Louisiana exam NOTE This one is keyed to the blue 2021 state textbook

The Louisiana Notary Exam has a 20% pass rate The Notary Exam has an official Study Guide you use during the exam But

the Study Guide has no index no big picture no study strategies no exam day tips not enough cross references and few of the

forms notaries use that they test It doesn't explain most tested subjects past exams or recent changes to the Guide It's got

the law and notary rules but it's missing essentials for any such textbook This book has all that and much more that anyone

contemplating the exam should read It even includes crucial information about notary practice for the newbie notary and is

useful to experienced notaries for its expanded cross references complete index and summary lists Basically it's the rest of

the official Study Guide they somehow omitted Why would they leave out the index of all things Reminder a 20% pass rate As

a senior law teacher and member of two state bars Professor Childress still needed to pass the Louisiana Notary Exam to

practice as one It's a challenging exam for everyone yet he found in the Study Guide lots of trees but little forest and even

less real guidance Determined that current test takers can do better with more real help he wrote this book and geared the

page numbers including an index cross references lists and illustrated explanation of successions community property wills

and authentic acts to the latest edition of the state's official text Fundamentals of Louisiana Notarial Law and Practice An

affordable addition to the Self Study Sherpa Series from Quid Pro Books that actually pays for itself twice over with its one

weird trick saying how to save 65 in fees in the notary qualification process This is the trade paperback edition available at

online and other bookstores
