

U.S. HISTORY STAAR PACING GUIDE FOR APUSH OR DUAL

QUICK OVERVIEW FOR HOW TO COVER CONTENT AND FINISH EARLY FOR THE STAAR TEST

APUSH and Dual U.S. History Pacing Guide 109

The following pacing guide is based on 109 instructional days before stopping for an EOC review. These days do not include standard testing days like benchmarks, PSAT, SAT, finals week, etc. Check your school calendar and adjust as needed. The 109 days from this pacing guide are for instruction, review, and unit test days it does not include writing days, you should be able to include these as many calendars have more than 109 instructional days. Many of lose a large portion of our school calendar to non-instructional days, EOC Review, and finishing early to cover all content before the EOC test. I would focus on writing review after the STAAR test until the AP test in May. This guide will give you an idea of the bare minimum number of days needed to cover and reinforce content. I hope this calendar helps to make your years easier.
