End Mysteries 1-3 Kirsten Weiss, 2020-11-10 Three cozy mysteries that are out of this world Running the best little UFO themed B B in the Sierras takes organization breakfasting chops and a talent for crime solving in this collection of the first three books in the Wits End cozy mystery series In At Wits End Susan discovers a corpse in room seven a corpse with a very personal connection to her small town sheriff But is there a government conspiracy afoot Or is the murder a simple case of small town vengeance In Planet of the Grapes Susan is a proud sponsor of a UFO festival that runs off the rails when a speaker is found bludgeoned by a bottle of wine Susan may not have a clue but she knows she wants a certain security consultant at her side when this killer goes supernova In Close Encounters of the Curd Kind when Susan s neighbor is murdered she exerts all her willpower to stay out of the sheriff s business But her neighbor s daughter Clare needs Susan s help Clare s been experiencing lost time a sure sign of alien abduction Helping Clare is only neighborly and totally not interfering Right The truth is out there Way out there in this hilarious collection of quirky cozy mysteries Beam up this boxed set today Reporting at Wit's End St. Clair McKelway, 2010-07-22 Why does A J Liebling remain a vibrant role model for writers while the superb prolific St Clair McKelway has been sorely forgotten James Wolcott asked this question in a recent review of the Complete New Yorker on DVD Anyone who has read a single paragraph of McKelway s work would struggle to provide an answer His articles for the New Yorker were defined by their clean language and incomparable wit by his love of New York s rough edges and his affection for the working man whether that work was come by honestly or not Like Joseph

Mitchell and A J Liebling McKelway combined the unflagging curiosity of a great reporter with the narrative flair of a master storyteller William Shawn the magazine s long time editor described him as a writer with the lightest of light touches His style is so striking Shawn went on to say that it was too odd to be imitated The pieces collected here are drawn from two of McKelway s books True Tales from the Annals of Crime and Rascality 1951 and The Big Little Man from Brooklyn 1969 His subjects are the small players who in their particulars defined life in New York during the 36 years McKelway wrote the junkmen boxing cornermen counterfeiter con artists fire marshals priests and beat cops and detectives The rascals An amazing portrait of a long forgotten New York by the reporter who helped establish and utterly defined New Yorker fact writing Untitled Collection is long overdue celebration of a truly gifted writer Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious *Wit's End* Amy Ella Blanchard,1909 *At Wit's End* Erma Bombeck,1972 *God at Your Wit's End* Marilyn Meberg,2005 Complete with thoughtful applications and probing questions each chapter is designed for either group or personal study and in depth reflection **Wits End** Percival Robson Kirby,1967 **"The" Psalms** ,1885 **The Keeping Power of God** Herbert Lockyer,1981-10 The Wit and Wisdom of the Haytians John Bigelow,1877 **A Dictionary of the English Language** Samuel Johnson,1882 **"A" New Hindustani-English Dictionary, with Illustrations from Hindustani Literature and Folk-lore** Samuel W.
