The Role of Language in Content Pedagogy Lay

Hoon Seah, Rita Elaine Silver, Mark Charles Baildon, 2022-11-01 This book explores the importance of language in content learning. It focuses on teachers' roles, knowledge, and understanding of language in school contexts, including academic language and disciplinary languages to support students. It examines teachers' language-related knowledge base for content teaching, which includes teachers' knowledge of and about language, knowledge of their students, and their pedagogical knowledge. This book also explores how teachers' knowledge of language, students, and content are linked as part of a larger pedagogical content knowledge, which includes knowledge of the role of language in content learning. As well, it further considers literacy and literacies as part of this examination of teachers' knowledge of language. **Exploring Earth and**
