The Quest for a Science of Accounting Thomas A. Lee,Peter W. Wolnizer,2021-03-22 Originally published in 1997 the principal object of the editors in

compiling this collection of Robert R Sterling's work was to make more of his publications accessible in a convenient form to the academic and professional accounting communities and to current and future generations of accounting students. While it is not a complete portfolio of his published work to date, this anthology contains all of Sterling's major articles. Through his long-term quest for a science of accounting, Sterling sought to bring together accounting educators, practitioners, regulators, and researchers in order to identify credible advancements in accounting knowledge, authoritative changes to accounting practice, and transforming improvements to accounting education.

Financial Accounting Theory, William Robert Scott, 2000. Appropriate for Financial Accounting Theory courses at both the senior undergraduate and professional master's levels. This newly revised text provides a theoretical approach to financial accounting in Canada without overlooking institutional structure and standard setting. Important research papers are selected for description and commentary, while extensive references to other research papers underlie the text discussion.

Earnings Management and Corporate Governance. An Investigation of Financial Statement Reporting of Publicly Listed Companies in Nigeria, Ademola Akinteye, 2019-12-09. Doctoral Thesis Dissertation from the year 2015 in the subject Business economics Investment and Finance grade Great Distinction UGSM Monarch Business School Switzerland. Accounting and Finance course Doctor of Philosophy in Finance language English abstract: The dissertation examined Earnings Management and Corporate Governance Governance Practices of the firms that are listed on the floor of the Nigerian Stock Exchange. The researcher investigated the published financial statements of all the listed companies across all the sectors of the exchange using empirical quantitative research methods. All the variables of earnings management were extracted from the published annual financial statements and Directors Annual Reports through Content Analysis. The paper further explored all the variables of corporate governance as published by the Directors in the Annual Reports in the Financial Statements and through a face-to-face recorded interview of the members of the Board of Directors, the members of the Audit Committees, and the Heads of Internal Audit Functions in the Listed Public Companies. The study documented that companies that are listed on the Nigerian Stock Exchange are involved in both the upward and downward earnings management practices. This finding cuts across all the Sectors and categorization of the companies on the Nigerian Stock Exchange. The research thus recommended the need for better oversight by the Board of Directors, the Audit Committee, and the Market Regulators, mainly the Security and Exchange Commission and the Nigerian Stock Exchange. The findings of the Research on Corporate

Governance is mixed In certain sectors evidence of strong corporate governance are documented as reflected in the quality of Board Members the Quality of the deliberations at the Board meetings the independence of the Board the independence of the Audit Committee and the independence and effectiveness of the Head of the Internal Audit function measured by the reporting line of the holder of this role In some sectors the ingredients of strong corporate governance were missing thus suggesting a need for a more stricter regime of corporate governance to be implemented in these corporations
