*All That I Am with Thoughts and Dreams* Tanya Lynn Walker,2010-05-21 In understanding who I am and the journey it took to get me from one point in my life to another I have written this book of poetry as the link to a creative process of true and honest emotions I am the force behind my own energy and fate Through purpose and passion it is with joy and happiness I share my unshakeable truths My world revolves around interpretations of rhythm and rhyme While some may view these poems as thought provoking they are merely words of beauty and power that surround me in my space and time The passion and light reflected in this book are responses to inspirations tragedies love and faith a way that helps me to connect with the modern reader They are words that I have spoken and thought of in my mind and heart Poetry is love in any language and because I am in love with life I have written these love songs to those that have achieved something greater than the power of words Poetry is wisdom and the humility that comes from wisdom All the knowledge that I have gained from wisdom comes from heaven I am but a lonely dreamer

**Who Am I And Who Says I Am Who I Am** Pastor Albert J. Harris Jr.,2021-03-16 Once again God continues to remind me that my life is a lifetime of untold stories that I must share with the world It is God who inspires the stories for me to tell to the world As God was preparing my mind to write this story I personally had experience many of the things that I talk about in this book There is one thing that I have accepted as I wrote this book and that is For in God we live and move and have our being Acts 17 28 I m just saying that God is the source of our very existence This is why I practice believing that I can do all things through Christ who strengthens me Phil 4 13 I want you to know that what God does for one person he can do the same for you That is the purpose of this book to give hope to those who are hopeless and helpless I believe that we need to get to know ourselves because we don t know ourselves as well as we think we do But I know someone who knows all of us better than we know ourselves Jer 1 5 Let me encourage and inspire someone that the one who knows you better than you know yourselves is Jesus He also has your best interest at heart I recommend that we consider submitting and surrendering to him because he is the life that we ve all been searching for John 1 1 14 So it is my brothers and my sisters when you come to know who Jesus is you will also come to know who you are When God made you he made the best you there is So it is up to you not to lose hope nor your self esteem but you ought to continue your pursuit of being the best that you can be with God s help Jesus gives this hope to all those who will believe and trust him In John 10 10b Jesus says I come that you have life and have life more abundantly My brothers and my sisters it is my prayer

that you be the best that you can be with the resources that God provides for all of us Every day that you wake up it is another for improvement in your life Please don t let life s opportunities pass you by but start taking advantage of every opportunity that comes your way because life is too short to pass it up Stop underestimating your worth God said that everything that he made was good and very good that includes you and me amen Gen 1 31 With much love I send these pages of my life out into the world with the hope that someone s life will be the better Also I want to remind someone that their life also is a book whether it s open are closed it can be shared with the world It s a wonderful thing to know that we reap what we sow In other words what goes around comes around Amen When we invest in others we also invest in ourselves Gal 6 7 8 May God always bless and keep you
