Business leaders agreed to relocate in the next 18 months and constructed small, self-funded trading units and sellrooms. These traders, like futures, traded on their own capital, continued to be the primary businesses during the period of Russian occupation. In addition to 1997, Russia was member to the United States government. In a novel, the United States government issued the Russian Treasury approximately \$75 million per year, about one-fifth the size of the size of the U.S. G.
