

**READ THE PASSAGE**

Think about why the author wrote the passage and what it is mostly about.

**The Battle at Kruger**

In September 2004, tourist David Budzinski visited Kruger National Park in South Africa. The eight-minute video that he recorded became an Internet sensation and has been viewed by millions of people all over the world.

The video begins with a herd of Cape buffaloes approaching a watering hole. Nearby, a group of lions wait, hiding from their prey. As soon as the lead buffalo spots the lions, it turns, and the chase is on. The lions separate a small Cape buffalo calf from its mother and knock it into the water. The lions surround the calf and work slowly to pull it back out of the water. Before they are successful, however, a hungry crocodile comes by and grabs the calf's back leg with its powerful jaws. Now the lions are trying to fight off the crocodile!

It may sound like the poor calf was doomed, but what happens next is the reason this video went viral and has had over 64 million hits since it was uploaded in 2007.

As the lions and crocodile are fighting over the calf, the other Cape buffaloes regroup and charge the lions! One buffalo flips a lion into the air with its large horns, and the others stomp and snort at the now-frightened lions. The calf, though injured, manages to stand up and return to its mother in the herd. The angry Cape buffaloes then chase the lions away from the watering hole.

The video of "The Battle at Kruger" is a powerful example of why you should never give up hope, even in the face of a seemingly hopeless situation.

**SKILL PRACTICE**
