*The Enemy Within* Severance Johnson,1920     **Conflict and Enmity in the Asaph Psalms** David Cameron Ray,2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God s own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God s ways recognise complicity in suffering and place complete trust in the warrior judge God     *Talk Like Jesus* Lynn Wilford Scarborough,2007-12 Born in a barn raised in a ghetto a common laborer by trade he spoke in obscurity yet what did Jesus of Nazareth do to become the most quoted person in history What would we learn if we were to evaluate Jesus communication style in the 21st Century Talk Like Jesus explores the techniques of the Master Communicator through the eyes of a media expert Jesus communication patterns are introduced with the S I M P L E method which is based on six steps Stories Interaction Multi Track Communication Preparation Love Execution With careful analysis historical reference humorous
