## Germany Since 1918:

**Germany Since 1918** David Childs,1971      **The Heroic Earth** David Thomas Murphy,1997 In The Heroic Earth David T Murphy argues that geopolitical ideas were most dynamic and significant in Germany not during the Nazi era 1933 45 but in the democratic culture of the Weimar republic 1919 33 By helping to condition the German population to geopolitical ideas which emphasized revision of the Versailles settlement and enlarging Germany s living space geopolitics helped contribute to Nazi imperialism From the defeat of Germany in 1918 until the rise of National Socialism in 1933 theories of geographical determinism enjoyed a broad currency in many fields of German public life The ancient notion that environmental factors climate topography resource distribution shape society in significant ways was now applied in a radically determinist fashion to help Germans understand why they had lost the war and what they had to do to regain their place among the Great Powers Under the rubric of Geopolitik politicians teachers writers and others argued that the key to Germany s past and the hope for its future lay in understanding geography s determining impact upon races cultures states and warfare Theories of geographical determinism shaped German thinking about politics race science education aesthetics and many other subjects on the eve of the Nazi era Challenging traditional historiography Murphy argues that geopolitics faded in importance after Adolf Hitler came to power      *A History of Germany 1918 - 2014* Mary Fulbrook,2014-12-31 The fourth edition of A History of Germany 1918 2014 A Divided Nation introduces students to the key themes of 20th century German history tracing the dramatic social cultural and political tensions in Germany since 1918 Now thoroughly updated the text includes new coverage of the Euro crisis and a review of Angela Merkel s Chancellorship New edition of a well known classic survey by a leading scholar in the field thoroughly updated for a new generation of readers Provides an overview of the turbulent history of Germany from the end of the First World War through the Third Reich and beyond examining the character and consequences of war and genocide Treats German history from 1918 to 2014 from the perspectives of instability division and reunification covering East and West German history in equal depth Offers important reflections on Angela Merkel s Chancellorship as it extends into a new term Concise substantive coverage of this period make it an ideal resource for undergraduate students      **The Ailing Empire: Germany from Bismarck to Hitler** Sebastian Haffner,2019-08-16 Using his skills as a journalist historian and memoirist Sebastian Haffner author of *The Meaning of Hitler* traces the development of the German Empire 1871 1945 and the central role of warfare that characterized the Reich Haffner contends that Germany s unfavorable geographic position had much to do with the state s belligerence and that from its inception created the conflicts that culminated in two world wars The fruit of decades of study the moving and sometimes very personal testament of an author whose works more than any others have influenced public opinion and challenged academic historians *Die Zeit* A brilliant work from the top hat of a powerful historical magician Rudolf Augstein *Der Spiegel* A thoroughly successful work *Wiener Tagblatt* A book with more historical insights than a whole pile of learned volumes *M nchner Abendzeitung* The

history of the Third Reich in just 43 pages Impossible to do more than discuss a few features superficially But not with Sebastian Haffner This brilliant thinker a journalist turned historian reveals the fundamental lines of development in a way that anyone can follow The pages bristle with questions and unexpected answers The 300 pages of The Ailing Empire contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome Dieter Wunderlich This illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich Haffner argues that the founding of the state was never regarded as a climactic achievement but rather as a springboard for expansion and that Germany s unfavorable geographic position had much to do with the state s armed belligerence The author also contends that the Reich was self destructive almost from the beginning creating a host of enemies who brought it to its knees in two world wars and eventually divided it He describes how Hitler accelerated the catastrophic finish of the Reich by inopportunely taking on both the Russians and Americans then tried to turn military defeat into the annihilation of the German people with his Nero Directive of March 18 19 1945 Publishers Weekly The Ailing Empire tells the story of yesterday s Germans who made today It is a story Americans must understand San Diego Union Sebastian Haffner has written a book that traces the path of Germany s political self destruction and offers a realistic account of the war s real causes It is a highly readable analysis of the road from Bismarck to Hitler This book based on many previously unpublished accounts is a devastating portrait of human society Chattanooga Times This is a highly readable analysis of German history over the last century A long time journalist Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation state and contained the seeds of its own destruction Though lacking documentation Haffner s first hand recollections of the Nazi era are most interesting Particularly noteworthy are his observations on daily life during the regime and his judgment regarding those literary and artistic antis who chose internal emigration within the Hitler state

Library Journal **History of Germany, 1918-2000** Mary Fulbrook,2002 Traces the dramatic social cultural and political tensions in Germany since 1918 from the self destructive Weimar Republic through the extremes of genocide and military aggression in the Nazi era to the extraordinary political experimentation of division of the nation in the Cold War culminating in the collapse of communist East Germany and unification with capitalist democratic West Germany in 1990 Publisher s description

**German Post-Expressionism : The Art of the Great Disorder 1918-1924** , German Post Expressionism is the first study to reconstruct historically the evolution of Die neue Sachlichkeit the slogan coined as a designation for the Post Expressionist figural art that developed throughout Germany following the failed revolution of 1919 Rather than starting with the moment this Post Expressionist movement was christened with a slogan 1923 Crockett investigates the sources and precepts of Post Expressionism beginning with the anti Expressionist stance of Dada in 1918

and the loss of faith in Expressionism on the part of some of its chief supporters during 1919 20 *Germany Since 1918* Frederick Lewis Schuman,1944 **A History of Germany 1918 - 2008** Mary Fulbrook,2011-08-10 The third edition of A History of Germany traces the dramatic social cultural and political tensions in Germany since 1918 Offers a persuasive interpretation of the dynamics of twentieth century German history Treats German history from 1918 2008 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 New edition includes updates throughout especially covering the Nazi period and the Holocaust a new chapter on Germany since the 1990s and a substantially revised and updated bibliography **From Weimar to Hitler** E. J. Feuchtwanger,1993 Annotation Weimar Germany continues to fascinate and to inspire controversy Particularly in Germany there has been a spate of recent research which calls for a fresh synthesis This book takes a new look at the current debate on the major themes the revolution hyperinflation Weimar welfarism the labour movement the liberal intelligentsia the Conservative Revolution the policies of the Bruning government and the rise of Nazism It highlights the interconnections in a complex society between developments in different spheres and shows that Hitler s assumption of power was never inevitable **History of Germany 1918 - 2000** Mary Fulbrook,2002-04-08 This accessible study traces the dramatic social cultural and political tensions in Germany since 1918 For the second edition revisions have been made to incorporate the results of recent research an epilogue covering the years 1990 2000 has been added and the suggestions for further reading and the bibliography have been updated An accessible study of the dramatic social cultural and political tensions in Germany since 1918 Treats German history from 1918 2000 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 Offers a persuasive interpretation of the dynamics of twentieth century German history as a whole New edition includes an updated bibliography and an epilogue covering the years 1990 2000 **Britain's Economic Blockade of Germany, 1914-1919** Eric W. Osborne,2004-06-24 This text studies Great Britain s economic blockade of Germany in World War I one of the key elements to the victory of the Entente **From Weimar to Hitler** E. Feuchtwanger,1995 The extraordinary amount of new research relating to the Weimar Republic in the last two decades has created the need for a new survey of that period Feuchtwanger responds admirably to that need C R Lovin Choice E J Feuchtwanger is such a good historian Despite its prestigious critics and its inborn failings Feuchtwanger writes Weimar government was better than its reputation establishing precedents that would benefit a German democracy yet to come Boris Yeltsin might be well advised to consider some of Feuchtwanger s remarks about the openness of history A humbled great power stripped of its colonies an infant democracy prey to extremes on right and left

hyperinflation roving paramilitaries woozy racialist theories in the air Yeltsin's Russia and Weimar Germany have a few too many similarities for comfort Christian Caryl Guardian Robert Langbaum's ability to react directly and independently to his reading of Hardy's work is evident on every page This is a Thomas Hardy for our time J Hillis Miller Weimar has become synonymous with catastrophic political failure the prelude to the greatest moral and material disasters of the twentieth century This book shows that such failure was never inevitable and that options remained tantalisingly open right up to Hitler's assumption of power The democratic regime was saddled with heavy burdens stemming from defeat and never enjoyed general acceptance and legitimacy On the other hand it encouraged for the first time in German history expectations of a high level of welfare individual rights and modern social practices which were at least partially fulfilled The period of relative prosperity was however too short the return of crisis too severe and the resulting demoralisation too profound to save democracy The author draws a compelling picture of a society frequently in turmoil yet remarkably creative and innovative but finally overwhelmed by a tide of irrationality and barbarism He makes full use of the extensive sources and secondary literature available in German **News from Germany**, 1939 **International Relations 1914-1995** Tony Rea, John Wright, 1997 This book provides the core content required by many of the new GCSE syllabuses Strongly narrative in approach there are also many visual and written sources to aid students' understanding of the topics covered Key Stage 4

**November 1918** Robert Gerwarth, 2020-06-25 The German Revolution of November 1918 is nowadays largely forgotten outside Germany It is generally regarded as a failure even by those who have heard of it a missed opportunity which paved the way for the rise of the Nazis and the catastrophe to come Robert Gerwarth argues here that to view the German Revolution in this way is a serious misjudgement Not only did it bring down the authoritarian monarchy of the Hohenzollern it also brought into being the first ever German democracy in an amazingly bloodless way Focusing on the dramatic events between the last months of the First World War in 1918 and Hitler's Munich Putsch of 1923 Robert Gerwarth illuminates the fundamental and deep seated ways in which the November Revolution changed Germany In doing so he reminds us that while it is easy with the benefit of hindsight to write off the 1918 Revolution as a failure this failure was not somehow pre-ordained In 1918 the fate of the German Revolution remained very much an open book **The German Revolution, 1917-1923** Pierre Brouâe, 2005 This volume provides an English translation of Broué's *La révolution en Allemagne* complete with an updated Bibliography and a new Introduction **The World Since 1500** Leften Stavros Stavrianos, 1975 **Truth for Germany** Udo Walendy, 1981 For his historical publications challenging the official truth about the Holocaust Udo Walendy was sentenced to 29 months imprisonment in Germany His illegal research was confiscated and burned What happened in Germany after the war that its society today eagerly persecutes everybody who dares to defend the German nation In this booklet Udo Walendy gives a brief overview of measures of censorship and atrocity propaganda designed to destroy German self-confidence Goodreads.com **Historical Dictionary of Germany** Wayne C. ## **Germany Since 1918 Introduction**

In today's digital age, the availability of Germany Since 1918 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Germany Since 1918 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Germany Since 1918 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Germany Since 1918 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Germany Since 1918 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Germany Since 1918 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Germany Since 1918 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Germany Since 1918 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Germany Since 1918 books and manuals for download and embark on your journey of knowledge?
