**Seventh-day Adventist Church Manual.** General Conference of Seventh-Day Adventists, 2005      Adventist Review, 2007-07      The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner      Your Daily Journey to Transformation Jim Ayer, Janene Ayer, 2013 When it comes to experiencing transformation in your life it's all about taking the first step and that first step is always easier when supportive friends walk along beside you In this interactive workbook designed to be a companion study guide to the book Transformation Jim and Janene Ayer journey with you as you explore an honest assessment of your personal relationship with God and as you make life altering discoveries through God's Word inspiring stories of others experience and practical wisdom that will move you out of your comfort zone and into a life that is shaped and powered by

The Gospel of Climate Skepticism Robin Globus Veldman, 2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change

Contesting Heritage Chigemezi Nnadozie Wogu, 2025-12-18 In the heart of Nigeria s religious landscape where Pentecostal fervor and charismatic worship reshape everyday expressions of faith the Seventh day Adventist Church stands at a crossroads Contesting Heritage is a compelling exploration of how a mission initiated denomination grapples with cultural relevance liturgical innovation and theological continuity in a society undergoing deep religious transformation Focusing on the Adventist community in Ilishan Remo this book investigates the dynamic responses of Nigerian Adventists to the Pentecostalization of worship across the country Drawing on rich ethnographic fieldwork and historical analysis this study reveals that Adventist heritage in Nigeria is not static but contested negotiated and continually reinvented It traces how worship practices such as prayer singing and church leadership evolve through processes of resistance accommodation and hybridization resulting in a distinctly Nigerian expression of global Adventism Contesting Heritage offers a rare intra denominational lens into the complexities of religious identity in postcolonial Africa It challenges assumptions of sectarian withdrawal and illuminates how Adventists actively participate in and influence the wider Nigerian religious marketplace
