Aflame Penelope Douglas, 2015 Falling Away Penelope Douglas, 2015-01-06. Fall Away with this addictive series from the bestselling author of PUNK 57. From the BookTok sensation and New York Times bestselling author of BULLY and FALLS BOYS comes the fourth novel in the Fall Away series. He's the guy she's supposed to avoid. She's the girl he won't let get away. K.C. Carter has always followed the rules until this year when a mistake leaves her the talk of her college campus and her carefully arranged life comes crashing to a halt. Now she's stuck in her small hometown for the summer to complete her court-ordered community service and to make matters worse, trouble is living right next door. Jaxon Trent is the worst kind of temptation and exactly what K.C. was supposed to stay away from in high school. But he never forgot her. She was the one girl who wouldn't give him the time of day and the only one to ever say no. Fate has brought K.C. back into his life except what he thought was a great twist of luck turns out to be too close for comfort. As they grow closer, he discovers that convincing K.C. to get out from her mother's shadow is hard but revealing the darkest parts of his soul is nearly impossible. Praise for the Fall Away series: As gripping as it was sexy. COLLEEN HOOVER Penelope creates incredible tension between their characters in this best friends to enemies to lovers romance. Until You Penelope Douglas, 2014-02-18. From BookTok sensation and New York Times bestselling author Penelope Douglas comes a riveting companion novel to Bully. This is Jared's story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. Some people hate me for it while others are scared of me. But none of them can hurt me because I don't care about anything or anyone. Except Tatum. I love her so much that I hate her. I hate that I can't let her go. We used to be friends but I found out that I couldn't trust her or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her, it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now when I push, she pushes back and I'm not sure
