ETDP SETA Scarce & Critical Skills Guide 2010/11 , The Power Behind Positive Impact Philip Vuyo Kaasi,2014-02-28 If you want your life to be significant and mean something the best thing you should do is to impact other peoples lives Let this book influence you to be an actor instead of an on looker or spectator in life The author wants the reader to study closely the people who were and still are successful and happy so that the reader will realize the faith exercised by these people the failures they endured and the complexity of the process they went through to have acquired their accomplishments You do not have to have the tangible possessions to know that you are wealthy but if you feel and conduct yourself in the manner in which other successful and happy people conduct themselves it will feel as if you do not even need the tangible things because of your dominant state of your mental attitude towards success and happiness Be afraid of giving up whenever faced with an impossible challenge perhaps as far as your mental attitude is concerned God is helping you He is with you He is guiding you and He will see you through Dont be envious and jealous rather admire people who are successful and happy in life Life is a blessing VBS Dewald van Rensburg,2020-10-01 Originally the Venda Building Society VBS Mutual Bank was a small little known lender in Limpopo before it rocketed from obscurity in 2016 by giving President Jacob Zuma a controversial home loan to repay the state for improvements to his Nkandla homestead The bank was growing rapidly and sold itself as a fearless champion of black advancement Its main shareholder Vele Investments was on a meteoric trajectory towards becoming a financial conglomerate worthy of national attention When the bank abruptly went into curatorship in March 2018 no one had any reason to doubt that it was just another unfortunate corporate failure Then the astonishing truth emerged the collapse of VBS was due to an epic R2 billion fraud that had created Vele s empire out of thin air and left the bank a hollow shell VBS A Dream Defrauded unravels the fraud exploring how suspected mastermind Tshifhiwa Matodzi and his associates first took control of VBS fed ANC patronage networks and operated under a nationalist mantle endorsed by Venda royalty The book explains how the bank and its shareholder Vele were seemingly built into a multibillion rand business exposes the political machinations that guaranteed VBS up to R3 5 billion in unlawful funding from municipalities and other state institutions and describes the free for all that ensued after the bank s collapse when all involved tried to cover their tracks Written by one of the journalists who first broke the story this book draws on interviews with VBS insiders and other role players as well as documents and detailed forensic evidence collected in the course of two years of investigations This is a compelling account of a bank heist whose shockwaves continue to haunt the politicians businessmen and traditional leaders who enabled it *Nancy Fraser and Participatory Parity* Vivienne Bozalek,Dorothee Hölscher,Michalinos Zembylas,2020-05-17 Nancy Fraser and Participatory Parity provides a philosophical framework based on the work of Nancy Fraser examining how her ideas can be used to analyse contemporary issues in higher education and reimagine higher education practices Providing a forum for considering Fraser s work in relation to

participatory parity in higher education the book shows how her political philosophy is relevant to higher education pedagogies scholarship and practice The recent student protests in South Africa in 2015 and 2016 has created an impetus to think about how to do things differently in higher education in response to economic cultural and political inequities This South African experience is aptly used as a prime example of rethinking issues of coloniality and social injustice in higher education The contributors use of Nancy Fraser s theories provides their analyses and reflections with a particularly sharp lens and clear focus The book also puts her work into conversation with other contemporary writers on social justice and explores the resonances and differentiations of the various approaches This book will be of great interest for academics researchers and post graduate students in the fields of social justice in education and educational policy
