1. Exploration- act of travelling in or through an unfamiliar area in order to learn about it and to discover new places.
2. Colonization- the act of establishing yourself in a new area in order to make a new settlement there.
3. Colonist- the people that settle in a new area and establish a colony/settlement there.
4. Native- someone or something is native to the area if they were born there or came from there.
5. Native Americans were the people who were native to North or South America. They were born there or came from there.
6. The original inhabitants of the Americas were the Native Americans.
7. European Explorers- Those who are from the continent of Europe who explored new land. These people include the Spaniards, French, English and others who were from countries of Europe.
8. Sometimes European explorers brought diseases that couldn't be cured to Native Americans. Many Native Americans died.
9. The Europeans have explored the Americas and brought their culture which remains largely the culture which is there today.
10. Primary Source- a source that is first-hand and comes directly from the time period that is being studied or spoken about.
11. People influence new settlements by:
 - Bringing their culture into an area
 - Changing the way a settlement looks by altering the look of the land
 - Causing the nations of the area to move or adapt to new ways of life which also included new ways to worship.
 - Bringing their language to the area
 - Bringing disease into an area
 - Inspiring others to travel to or trade with the area
12. Geography (the location, landforms, climate of an area) influences the development of new settlements?
 - Location of the area determines how easy it is for a certain people to relocate there by sea or land
 - Areas along waterways or seas makes it easier for others to arrive by boat and settle the area. These areas are typically settled first before people relocate into the land surrounding it.
 - Landforms such as oceans, rivers, plains etc. determine the lifestyle of the new settlement. Examples: Oceans and rivers provide for
