Financial Accounting Jerry J. Weygandt,Paul D. Kimmel,Donald E. Kieso,2009-11-02 Weygandt helps corporate managers see the relevance of accounting in their everyday lives Challenging accounting concepts are introduced with examples that are familiar to them which helps build motivation to learn the material Accounting issues are also placed within the context of marketing management IT and finance The new Do It feature reinforces the basics by providing quick hitting examples of brief exercises The chapters also incorporate the All About You AAY feature as well as the Accounting Across the Organization AAO boxes that highlight the impact of accounting concepts With these features corporate managers will learn the concepts and understand how to effectively apply them

Accounting Principles Jerry J. Weygandt,Paul D. Kimmel,Donald E. Kieso,2010-12-20 Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants The new edition has been updated with the latest IFRS IASB standards Additional coverage is included on foreign currency translation and LCM More discussions focus on risk management as a result of the financial crisis The examples also emphasize current examples in order to help accountants make the connection to their everyday lives

College Accounting, Chapters 1-10 Heintz,James A. Heintz,Parry,Robert W. Parry,1998-04-14 An emphasis on the careful development of topics has made Heintz Parry College Accounting the all time best selling College Accounting text Heintz is a book that provides basic bookkeeping and accounting skills that readers can take with them into the job market

Accounting Paul D. Kimmel,Jerry J. Weygandt,Donald E. Kieso,2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information This motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
