## **TPACK: Breakthroughs in Research and Practice** Management Association, Information Resources,2019-02-01

Educational technologies are becoming commonplace entities in classrooms as they provide more options and support for teachers and students. However many teachers are finding these technologies difficult to use due to a lack of training and instruction on how to effectively apply them to the classroom. TPACK Breakthroughs in Research and Practice is an authoritative reference source for the latest research on the integration of technological knowledge, pedagogical knowledge and content knowledge in the contexts of K-12 education. Highlighting a range of pertinent topics such as pedagogical strategies, blended learning and technology integration, this publication is an ideal resource for educators, instructional designers, administrators, academicians and teacher education programs seeking current findings on the implementation of technology in instructional design.

*Brilliant Ideas for Using ICT in the Inclusive Classroom* Sally McKeown, Angela McGlashon, 2019-02-13 Runner up in Teach Secondary's Technology and Innovation Awards 2014 sponsored by Lego. Brilliant Ideas for using ICT in the Inclusive Classroom provides lots of simple practical ideas showing teachers and support staff how they can use ICT to boost the achievement of all pupils. How can you use ICT to boost the achievement of all your pupils? This practical teachers guide will help you to unlock the enormous potential of new technology in order to enhance pupils learning particularly for young people with additional needs. Written by two of the UK's leading technology experts this invaluable and newly updated resource will enable you to use ICT effectively to make lessons more accessible, motivating and fun. With fifty illustrated case studies and twenty starter activities this practical resource will help you to introduce new technology into the inclusive classroom. It has been specifically designed to help develop your pupils key skills such as problem solving, developing concepts and communicating to different audiences. In each activity the authors show why and how a particular resource was used and show how similar techniques can be implemented to open up the curriculum to your learners. The authors include timely and realistic advice on how to use a range of technologies from the cheap and cheerful and even free to more sophisticated and specialist packages. Find out about Apps, Blogging, Digital animation, Podcasting, Digital storytelling, Wikis, Geocaching, Coding, Games and gaming, Sat nav, Art packages, Twitter. Whether you're already techno savvy or looking to get started with ICT this book is full of brilliant ideas on how to engage learners of all abilities using technology. If you're looking for inspiration on how to integrate creative uses of ICT with the curriculum this book will prove invaluable.
