Parallel Worlds: Keys of Heaven Anita M. Tucker, 2016-04-07 Creative keys are entirely enveloped in the spirit world They are the axiom on which truth and life converge The breath of life transport words that are spirit into life but there are diverse levels of life If we lead an unfruitful life it is safe to conclude that seed has been dispensed willy nilly Understand from this point forward that the tongue must be tamed as lives mirror or are reflected in conversation Positioned within the lives is transformation from spirit life positive to negative and this depends on purity of heart The principle of creation by speech stands alone *A New Light of Mysticism.
