Cooperative Learning and the Collaborative School Ronald S. Brandt, 1991 Cooperation in the classroom counteracts well established routines and values that nearly all adults and many educators take for granted Education remains a fiercely competitive enterprise and individualistic notions of professionalism predominate Despite the continued importance of independence initiative and personal achievement today's schools are experimenting with consideration sharing collegiality and commitment to group goals This volume contains readings from recent editions of Educational Leadership on cooperative learning and collaborative schools beginning with Robert Slavin's introduction and Ronald Brandt's insistence that cooperation is not un-American The articles in the second section discuss various cooperative

learning models including Team Assisted Individuation Cooperative integrated Reading and Composition and Group Investigation The third section is devoted to implementation of cooperative learning and the fourth section highlights the idea of schools as caring communities developed through group work The sixth section provides ideas on how to get started and the seventh section summarizes controversies among various researchers The final section presents articles on the collaborative school focusing on developing teacher collegiality cooperative professional development and school improvement efforts The volume ends with an extensive annotated bibliography divided into nine parts MLH *Resources in Education* ,1992 Advanced Biomaterials ,2007 **Proceedings of Ion-Exchange Symposium, February 23-25, 1978** ,1979 **Russian Journal of Coordination Chemistry** ,1999 *Russian Journal of Inorganic Chemistry* ,2003 **Russian Journal of General Chemistry** ,2004 **Infectious Diseases of the Fetus and Newborn Infant** Jack S.
