

# THE GIVER Study Guide Packet

## Key Concepts

\_\_\_\_\_ - A "perfect" place where everyone is happy and safe. There is no crime and everyone works for the betterment of society.

\_\_\_\_\_ - An imagined universe (usually sometime in the future) in which an oppressive governing body controls people with corporate, bureaucratic, technological, moral, or religious restrictions while giving the illusion of a Utopia. This power sometimes, but not always, asserts itself following a large-scale calamity.

This genre offers an exaggerated "worst-case scenario" glimpse forward.

### Traits of a Dystopian Society

- Propaganda is used to influence and control
- A figurehead or concept is worshipped above all else (can include the concept of Community)
- Freedom of speech, thought, and expression are restricted
- Individualism is shunned
- Technology (either the dependence on it or the lack of it) plays a big role in the control
- Citizens live in fear of the Unknown outside of their known world
- The powers-that-be are always watching the citizens
- The natural world is labeled corrupt and volatile
- The society is an illusion - the authority does not believe its own lies

### The Dystopian protagonist

- Feels trapped and a compulsion to escape
- Questions the way of the world and the source of authority
- Suspects something is terribly wrong with the world they live in
