Aflalo,1911 **A Fisherman's Summer in Canada (Classic Reprint)** F. G. Aflalo,2016-08-30 Excerpt from A Fisherman s Summer in Canada Therefore lured by sunny memories of an earlier pilgrimage in which fishing had received less than its due share of attention I found myself hankering for another glimpse of Canada s rushing rivers and gleaming lakes which with a million acres of untrdden forest make it the finest playground in all the world How long it will remain so how long its moose and caribou will tempt the still hunter over virgin snow how long its salmon will bend the rods of privileged anglers on the Restigouche and Matapedia or on some less exclusive waters of the Maritime Provinces or its trout give sport in a thousand brooks and lakes or its mighty tuna attract the more adventurous to the bays of Cape Breton and Nova Scotia it would be futile to forecast Yet it is as certain as anything in this guesswork future of ours that the sporting attractions of that glorious land will last the lifetime of those now in the cradle and beyond the span allotted to a generation even a clairvoyant would not wish to see About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition
