## **2014 Exemplar Life Orientation:**

**Narrative, Calling, and Missional Identity in 1 Peter** David Shaw, 2023-11-13 A story well told and subsequently imbibed by its recipients has the power to shape one's beliefs, identity, and way of life. So what happens when a person or community is swept up in such a story? In this study, Shaw draws upon the dual methodologies of Narrative Transportation and Social Identity theories to consider how 1 Peter's use of Old Testament narratives and language serves to transport its recipients into an identity defined as elect sojourners. Amidst suffering, 1 Peter calls the Anatolian believers to a priestly ministry, blessing their antagonists as they await their eternal glory in Christ.

**The Oxford Handbook of Human Development and Culture** Lene Arnett Jensen, 2015 The Oxford Handbook of Human Development and Culture provides a comprehensive synopsis of theory and research on human development, with every chapter drawing together findings from cultures around the world. This includes a focus on cultural diversity, within nations, cultural change, and globalization. Expertly edited by Lene Arnett Jensen, the Handbook covers the entire lifespan from the prenatal period to old age. It delves deeply into topics such as the development of emotion, language, cognition, morality, creativity, and religion, as well as developmental contexts such as family, friends, civic institutions, school, media, and work. Written by an international group of eminent and cutting-edge experts, chapters showcase the burgeoning interdisciplinary approach to scholarship that bridges universal and cultural perspectives on human development. This cultural developmental approach is a multifaceted, flexible, and dynamic way to conceptualize theory and research that is in step with the cultural and global realities of human development in the 21st century.

**The Healing Power of Hip Hop** Raphael Travis Jr., 2015-12-14 Using the latest research, real-world examples, and a new theory of healthy development, this book explains Hip Hop culture's ongoing role in helping Black youths to live long, healthy, and productive lives. In *The Healing Power of Hip Hop*, Raphael Travis Jr. offers a passionate look into existing tensions aligned with Hip Hop and demonstrates the beneficial quality it can have, empowering its audience. His unique perspective takes Hip Hop out of the negative light and shows readers how Hip Hop has benefited the Black community. Organized to first examine the social and historical framing of Hip Hop culture and Black experiences in the United States, the remainder of the book is dedicated to elaborating on consistent themes of excellence and well-being in Hip Hop and examining evidence of new ambassadors of Hip Hop culture across professional disciplines. The author uses research-informed language and structures to help the reader fully understand how Hip Hop creates more pathways to health and learning for youth and communities.

**Time Issues in Strategy and Organization** T. K. Das, 2019-10-14 Strategy science addresses diverse issues with interdisciplinary approaches impacting hybrid organizations and traditional categories. This book series expands research areas and theoretical approaches. The volume covers topics like future orientation, real-time management, strategic leadership, and open innovation strategies.

**Language and Emotion. Volume 2** Gesine Lenore Schiewer, Jeanette Altarriba, Bee Chin Ng, 2022-11-07 The handbook *Language and Emotion* is intended to

give a historical and systematic profile of the area It will aim to connect contemporary and historical theories approaches and applications and to cover eastern and western perspectives of language communication and emotion It will present all relevant aspects of language and emotion and thus contribute significantly to research in the field of linguistics and semiotics of emotion **Australian Genre Film** Kelly McWilliam, Mark David Ryan, 2021-04-26 Australian Genre Film interrogates

key genres at the core of Australia's so called new golden age of genre cinema establishing the foundation on which more sustained research on film genre in Australian cinema can develop The book examines what characterises Australian cinema and its output in this new golden age as contributors ask to what extent Australian genre film draws on widely understood and largely Hollywood based conventions as compared to culturally specific conventions of genre storytelling As such this book offers a comprehensive and up to date survey of Australian genre film undertaken through original analyses of 13 significant Australian genres action biopics comedy crime horror musical road movie romance science fiction teen thriller war and the Western This book will be a cornerstone work for the burgeoning field of Australian film genre studies and a must read for academics researchers undergraduate students postgraduate students and general readers interested in film studies media studies cultural studies Australian studies and sociology Comprehensive Dissertation Index, 1984 Vols for 1973 include the following subject areas Biological sciences Agriculture Chemistry Environmental sciences Health sciences Engineering Mathematics and statistics Earth sciences Physics Education Psychology Sociology Anthropology History Law political science Business economics Geography regional planning Language literature Fine arts Library information science Mass communications Music Philosophy and Religion **Comprehensive Dissertation Index: Education, D-H**, 1984

*Contesting Islam, Constructing Race and Sexuality* Sunera Thobani, 2020-12-10 The current political standoffs of the War on Terror illustrate that the interaction within and between the so called Western and Middle Eastern civilizations is constantly in flux A recurring theme however is how Islam and Muslims signify the Enemy in the Western socio cultural imagination and have become the Other against which the West identifies itself In a unique and insightful blend of critical race feminist and post colonial theory Sunera Thobani examines how Islam is foundational to the formation of Western identity at critical points in its history including the Crusades the Reconquista and the colonial period More specifically she explores how masculinity and femininity are formed at such pivotal junctures and what role feminism has played in the wars against radical Islam Exposing these symbiotic relationships Thobani explores how the return of religion is reworking the racial gender and sexual politics by which Western society defines itself and more specifically defines itself against Islam *Contesting Islam Constructing Race and Sexuality* unpacks conventional as well as unconventional orthodoxies to open up new spaces in how we think about sexual and racial identity in the West and the crucial role that Islam has had and continues to have in its development
