**The Bannockburn Spell** Nancy Adams, 2013-05 With the help of a bet a 800 year old marriage contract and a spell ex SBS soldier Will might just have enough in his arsenal to capture Meghan's heart Since arriving in Little Glen Scotland Meghan Kennedy's life has gotten decidedly more interesting She entered into a bet with hunky ex SBS soldier Will betting him that she would not fall in love with him She discovered an ancient marriage Contract specifically designed to join her family to Will's and to top it all off she learns that she had a spell cast on her 800 years before she was even born None of it mattered because she refused to make the same mistake twice Will's hard body and sexy grin didn't matter his beautiful hypnotic eyes didn't matter and it didn't matter that every time they kissed her body would call out for his as though denied his touch for hundreds of years Ex SBS soldier William Mackenzie is disciplined trained to be an efficient soldier and he takes the same approach with his business and life Then Meghan arrived with her fiery temper and hair to match and he knows she is lying about the reasons why she came to Little Glen he just doesn't care All he does care about is Meghan Her feisty temper bemuses him her beauty astounds him and her stubbornness annoys the hell out of him Lucky for him he doesn't know how to quit he can be just as stubborn and occasionally ruthless and he will use any means necessary to get her Of course the means at his disposal just happen to be a bet a marriage contract and an ancient spell but in the end Meghan belongs to him who was he to argue

Robert Pendleton** Michael Collins, 2010-07-22 A tale of murder and literary ambition set on an American university campus from a master of the dark side of human nature It's been over a decade since Robert Pendleton published his brilliant short story debut and his hopes for a dazzling literary career now lie in tatters Hanging on to his tenure in literature at Bannockburn college by the slimmest of threads Pendleton's simmering despair boils over with the arrival on campus of his one time friend now nemesis the bestselling author and king of the coffee

table book David Horowitz For Pendleton death seems to be the only remaining option but his attempt to kill himself is wrecked by the intervention of Adi Wiltshire a graduate student battling her own demons of failure and thwarted ambition Whilst Pendleton recovers from his suicide attempt Adi discovers a novel hidden in his basement a brilliant bitter story with a gruesome murder at its core The publication of *Scream* causes a storm of publicity a whirlwind into which Adi and Horowitz are thrust along with the sister of a young girl whose real life unsolved murder bears an uncanny resemblance to the crime in Pendleton s novel and a burnt out cop with secrets of his own who is determined to prove that in this case fact and fiction are one and the same      **Official Report of the Standing Committees** Great Britain.
