

# The Awakening Study Guide

## CHAPTER I Vocabulary

**chamomile** – a plant

**gaunt** – thin, bony

**lugger** – a small boat with a sail

**quadroon** – a person who has one African-American grandparent

1. Explain how the parrot and the mockingbird are used to introduce this chapter.

*They provide disruptive sound images. The parrot is saying, "Go away! Go away! For Heaven's sake!" The mockingbird whistles with "maddening persistence."*

2. Describe Léonce Pontellier.

*He appears to be a successful New Orleans businessman. He is neat and orderly in appearance and has an impatient manner. He and his wife, Edna, and their two children are vacationing at Grand Isle for the summer.*

3. What does the following quotation tell you about Léonce's attitude toward his wife? He looked "at his wife as one looks at a valuable piece of personal property which has suffered some damage."

*He considers her as property, not as a person; he also considers the appearance of his possessions as very important.*

4. Who is Robert Lebrun?

*He is the son of Madame Lebrun, the woman who owns the main house and the cottages that make up the summer resort at Grand Isle.*

5. Discuss the use of the following sounds in Chapter I: the other birds, the piano, Madame Lebrun, the children, Edna, and Robert.

- *The birds are "chattering and whistling."*
- *The young girls are playing the piano.*
- *Madame Lebrun's "bustling in and out, giving orders in a high key."*
- *The Pontellier children are playing.*
- *Edna and Robert return from the beach, laughing and talking.*

6. How do these sounds indicate something about the setting of the novel?

*They suggest a warm, pleasant, carefree, summer day.*

7. What indications are there that the Pontellier marriage is strained?

*Léonce takes Edna for granted, seeing her as a part of his neat, orderly world. He seems unconcerned about the shared familiarity between Edna and Robert. Léonce and his wife speak only in passing; he leaves for Klein's and perhaps a game of billiards rather than spend time with her.*

be sure you have started right These studies help the new believer discover what the Bible says about topics like being sure of your salvation experiencing God's love and forgiveness being filled with the Holy Spirit growing as a believer sharing your faith and much more

Study Guide and Workbook to Accompany Zimbardo and Weber's Psychology, Second Edition Peter C. Gram, Philip G. Zimbardo, 1997 Psychology Third Edition builds upon the experience and reputations of Phil Zimbardo and Ann Weber with the addition of a new co author Bob Johnson who has a wealth of teaching experience at the community college level This briefer less expensive book presents psychology in a meaningful manageable format that focuses on the key questions and core concepts of psychology Introductory psychology covers such a wide range of topics and issues that it becomes difficult for readers to see the forest for the trees To make key psychological concepts more meaningful the authors found inspiration in a classic chess study This study showed that experts did no better than novices at remembering the location of pieces on a chess board when they were placed randomly Only when the patterns represented actual game situations did they make sense and therefore become more easily memorable for the experts Clearly meaningful patterns are easier to remember and understand than random arrangements and Psychology applies this by presenting the field of psychology in meaningful patterns to enhance comprehension These concepts are then applied to readers own lives study skills and the world around them Finally Psychology integrates a cross cultural and multicultural perspective to make psychology meaningful for everyone For anyone interested in Introductory Psychology
