Resources in Education ,1994 *The Prison Reform Book* Martin Bolt,2024-08-15 If you consider the American system of incarceration a failure in many aspects and as it stands today as a whole this book is for you It details the current prison system and provides not only solutions but a clearly defined and laid out path out of this mess Easy to say you think if we are going to spend another 10 Billion to fix the system As it stands today we are already out of funds Thus the approach in this book does not need this kind of money to create a fairer justice system It is quite the opposite the purpose of this book is not only to save us all a lot of money but to bring about a fair quick honest and most of all functional system of incarceration
