The Journey Back from Hell Anton Gill,1988 This book is a record of oral history as the author recorded the personal testimony of over 100 survivors of the Nazi concentration camps in the course of his enquiry into how they have come to terms with their ordeals since World War II *Journeys from the Abyss* Antony Robin Jeremy Kushner,2017 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century

Journeys from the Abyss Tony Kushner,2017-09-28 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century **New Beginnings** Hagit Lavsky,2002 Lavsky provides an historical inquiry into how Jews in Germany began to rebuild their social and cultural networks immediately following WWII looking at the early history of the postwar German Jewish community

The Unfinished Conversation Evangeline Thiessen,2015-06-09 Brought up in a strict fundamentalist household Evangeline Thiessen like many Christians found herself at odds with complex dogma that kept her from a lucid understanding of her relationship with God It was the death of her father himself a former minister that finally brought her troubling spiritual disconnect into sharp focus and set her on a path that would afford her a new understanding of her own faith Stepping away from the petrified state of twenty first century fundamentalist Christian thought she decided to re examine the Greco Judeo Christian roots from which modern Christianity has grown What she found was that a great deal of what informs the many far flung Christian denominations has very little basis in the gospel of Christ These other influences can however be explained and even understood if one is willing to look at the broader contexts from which they arose The tone and message of the remarkable spiritual conversation started by Jesus has been shifted and stifled over the centuries but for those willing to listen it can still be discerned The Unfinished Conversation is at once erudite and readable It is an invitation for Christians to reconnect with the still vital core of faith voiced two thousand years ago

which this book is the 11th volume subtitled Khayyami Robaiyat Re Sewing the Tentmaker's Tent 1000 Bittersweet Wine Sips from Omar Khayyam's Tavern of Happiness Each book independently readable can be best understood as a part of the whole series In Book 11 having shared the three parts of the Robaiyat attributed to Khayyam in the Books 8 9 and 10 of the series Tamdgidi offers the entire set of the 1000 quatrains including the Persian originals and his new English verse translations for each The poems comprising Khayyam's songs of doubt hope and joy are organized according to the three phased method of inquiry he introduced in his philosophical writings respectively addressing the questions Does Happiness Exist What Is Happiness and Why Does or Can Happiness Exist When Khayyam discussed the three phased method of inquiry in his treatise Resalat fi al Kown wa al Taklif Treatise on the Created World and Worship Duty he noted an exception to the rule of asking when studying any subject whether it exists what it is and why it exists or can exist He distinguished between things objectively existing independent of the human mind and those created by the human mind The normal procedure applies to the former but for products of the human mind he advised the procedure must be modified to asking first what something is then whether it exists and then why it exists or can exist This is because for products of the human mind such as created works of art we would not know whether something exists and why it exists unless we first know what it is To illustrate his point he used the example of the mythical bird Anqa Simorgh in Persian or the Phoenix in English He argued that only when we know what the metaphor stands for would we be able to say whether it exists say in a work of art or even as a person represented by it and why it exists or can exist Khayyam's elaboration implies that one has to make a distinction between objective and human objectified realities which implies that for some objects such as happiness we in fact confront a hybrid reality where aspects of it may be externally conditioned but other aspects being dependent on the human will Once we realize the significance of Khayyam's point then we appreciate that his Robaiyat can also be regarded as a way of poetically portraying and advancing human happiness its poetic Wine being not just reflective but also generative of the happiness portrayed By way of his poetry therefore Khayyam has offered a severe critique of the then prevalent fatalistic astrological worldviews blaming human plight on objective conditions in favor of a conceptualist view of reality in which happiness can be achieved despite the odds depending on the creative human agency itself being an objective force Tamdgidi further shows that the triangular geometry of the logic governing Khayyam's Robaiyat the numerical values of whose three sides are proportional to the Grand Tent governing Khayyam's birth chart further supports the view expressed in Khayyam's own quatrains that for him his Robaiyat poetically represented the tent of which he regarded himself to be a tentmaker revealing another key explanation for his pen name The geometric structure of a tent proportional to the Grand Tent of Khayyam's chart as well as the metaphor of the Robaiyat as Simorgh songs are hidden in the deeper structure of Khayyam's 1000 piece solved puzzle the same way he embedded his own triangular golden rule in the design of the North Dome of Isfahan Khayyam's Robaiyat are his Simorgh's millennial rebirth songs served in his tented tavern as 1000 sips of his bittersweet Wine of

Tamdgidi,2024-10-25 Omar Khayyam s Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination by Mohammad H Tamdgidi is a 12 book series of which this book is the 9th volume subtitled Khayyami Robaiyat Part 2 of 3 Quatrains 339 685 Songs of Hope Addressing the Question What Is Happiness Explained with New English Verse Translations and Organized Logically Following Omar Khayyam s Own Three Phased Method of Inquiry Each book independently readable can be best understood as a part of the whole series In Book 9 Tamdgidi offers the second of a three part set of 1000 quatrains he has chosen to include in this series from a wider set that have been over the centuries attributed to Khayyam Part 2 includes quatrains 339 685 for each of which the Persian original along with Tamdgidi s new English verse translation and a transliteration for the same are shared Each quatrain is indexed according to the frequency of its inclusion in manuscripts the earliest known date of its appearance in them the extent to which it has wandered into other poets works and its rhyming scheme Brief comments about the meaning of each quatrain in relation to other quatrains and works attributed to Khayyam are then offered along with any notes regarding its new translation as shared Tamdgidi shows that the quatrains 339 685 address the question What Is Happiness The latter is the second of a set of three methodically phased questions Khayyam has identified in his philosophical works as being required for investigating any subject The order in which the quatrains are presented shows that the quatrains included in Part 2 follow a logically deductive reasoning process through which Khayyam advances in the causal chain of moving from methodological to explanatory and practical quatrains by way of addressing the question noted above The thematic topics of the quatrains of Part 2 as shared in Book 9 are X The Drunken Way XI Willfulness XII Foes and Friends XIII Wealth XIV Today XV Pottery XVI Cemetery and XVII Paradise and Hell Khayyam begins with reflections on God s created world suggesting that its unitary existence cannot be understood using either or dualistic lenses where the ways of knowing by the head the heart and senses are pursued separately Instead he advocates building on the idea of the Wine trope discovered in Part 1 a Drunken way by which he means a unitary way of knowing symbolized by the spiritual indivisibility of Wine in contrast to the fragmentations of the grapes He then embarks on a deductive method of emphasizing human willfulness also created by God offering humankind a chance for playing a creative role in shaping its own world Khayyam then continues to

apply such an explanatory model in dealing with social matters having to do with foes friends and wealth leading him to advocate for the practical significance of stealing the chances offered in the here and now of today to transform self and society in favor of happier and more just outcomes Using the tropes of visiting the jug maker s shop and the cemetery he then emphasizes the need to maintain a wakeful awareness of the inevitability of one s physical death in order to use the opportunity of life to cultivate universal self awareness before it is too late that paradise and hell and judgment days are not otherworldly but realities of our here and now living He thus transcends the sentiment of a promised future hope by advising us to create a happy life in the cash of the here and now his own poetry itself being a means toward that end Part 2 must then be understood in consideration of the other two parts of his book of poetry one already shared in Book 8 addressing the questions Does Happiness Exist and the next to follow in Book 10 addressing the question Why Does or Can Happiness Exist
