*Exposition of the Apostles' Creed* James Dodds, 2022-09-16 In *Exposition of the Apostles Creed* James Dodds offers a thorough theological analysis of this foundational Christian declaration. The book employs a scholarly yet accessible literary style seamlessly intertwining doctrinal examination with historical context. Dodds meticulously unpacks each line of the Creed, elucidating its significance in articulating core Christian beliefs. Through a careful blend of exegesis and pastoral insight, Dodds highlights the Creed's role in both personal faith and communal worship, making it a valuable resource for theologians and laypersons alike in understanding the historical roots and contemporary implications of this seminal statement of faith. Almost every heresy that has disturbed the unity of the Church has been advocated by men who appealed to Scripture in confirmation of the doctrines they taught. The true teaching of the Word of God is gathered from careful and continuous searching of the Scriptures, and there is danger of fatal error when conclusions are drawn from isolated passages interpreted in accordance with preconceived opinions. It has been found not only expedient but needful that the Christian Churches should set forth in creeds and confessions the doctrines which they believe the Scriptures affirm. They are bound not only to accept Scripture as the rule of faith but to make known the sense in which they understand it. As unlearned and unstable men wrest and subvert the Sacred Writings, it is fitting that those who are learned and not unstable should publish sound
