What Your Black Friends Don't Tell You Carl A Benson Sr., 2010 This book doesn t have one main plot It has 35 of them These are story poems of animals that act like humans They have their problems just like real people They pull tricks on one another They laugh cry feel bad cheat fight love and what have you But at the end of each short story there is usually a moral or a hard learned lesson that teaches them how wrong they were to start trouble in the first place and how to live peacefully Some of the poetry is funny some silly sad or thoughtful The poem of the horse and the cow True Friends shows that love lasts forever The animals also can see each others differences Some are respected some aren t Take for example Noah s Ark The story in the Bible and mine is that you hear the animals version and their point of view You re also going to read about a turtle who went to the circus for the first time and what happened to him There s a story about a fox who keeps trying to crash into a camp site but is put off by a huge dog everytime There is a story that all mailmen will love Maybe by reading this book a lot of adults will probably remember the antics of their own pets when they were small Even a story about Saint Francis makes it into the book It is about my own dog Freddie the Freeloader now in heaven There is a story about a lion who thought that this would never happen to him A poem about a stone cat who yearns to be alive is very interesting A lot of these story poems will have you saying to yourself how true how true
