

Tenth Grade Research Paper

Overview

A *Cause and Effect* paper answers the questions WHY and HOW. It looks backwards in time to show the factors that lead up to an event, and it looks forward in time to consider the consequences resulting from that event.

Think about the following sentence.

I have no money, because _____ (cause);
therefore, I cannot _____ (effect).

You can probably come up with at least one major reason why you have no money, and you can probably think of at least three things you cannot do without it. This is the process of Cause and Effect.

Focus

In sophomore English, the essential question is "What are our individual rights and responsibilities?" The *Cause and Effect* paper allows for the student to study how one's rights are obtained and reflect upon what happens when one's responsibilities are not met.

In each sophomore text, there is a character who fights for his/her rights and manages (or fails to manage) his/her responsibilities. From those general categories, you can choose a topic that relates to the course's essential question.

For example, Holden Caulfield spends a great deal of time drinking in *The Catcher in the Rye*. You could research the causes and effects of alcohol abuse in teens.

Requirements

Sources: You must use at least four sources in developing your paper. You must submit at least 20 notecards. Your evidence must come from reputable sources.

Page length: 3-5 typed pages double-spaced, exclusive of the Works Cited page

Margins: One-inch margins

Font: 12-point font New Times Roman

Format: MLA (See DRG page 11)
