12 Steps To Destruction:

12 Steps to Destruction Martin Bobgan, Deidre Bobgan, 1991 12 Steps to Recovery is for those who are suffering from the trials of life and for those who want to help. It is for those who are thinking about joining a recovery group or entering a treatment center for codependency or addiction. It is for those who have tried Twelve Step programs and recovery treatment centers and found them lacking. It is also for those who are currently in such programs. And finally it is to encourage Christians who offer such programs to return to the faith once delivered to the saints.

Why Early A.A. Succeeded Dick B, 2011-07-26 Early AAs studied the Bible. They took their basic recovery ideas from the Bible and stressed reading it. They called it the Good Book. The Good Book was read at the beginning of almost every pioneer meeting. It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families. It was the subject of almost every book, article and devotional they used in their own Quiet Times. Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements. Well and good. We know early AAs did study Jesus Sermon on the Mount, Matthew 5 to 7, 1 Corinthians 13, the Book of James, Psalms 23 and 91, and many other verses and chapters cited in the Christian literature they circulated. But what precisely did they study and borrow? Where do you begin today if you wish to adopt their highly successful practice? Just which portions will bring the power, peace, joy, liberty, forgiveness, healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator? How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A's founders and pioneers did? Author Dick B has spent 21 years researching the biblical roots and sources of early A A's program. He has published 42 titles on the subject. And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups. The four books including this very title are 1. The Good Book and The Big Book. A A's Roots in the Bible. 2. Good Morning Quiet Time Morning Watch Meditation and Early A A 3. By the Power of God A Guide to Early A A Groups. 4. Why Early A A Succeeded. The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers. We recommend you obtain and use all four as a set. This particular title has the much requested, much needed and highly useful guides for AAs and other self help people in today's recovery arena. The power and deliverance and love of the Creator are available today. They have simply been

obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes
