# Whole-Class Tracker including the Rhino Readers Sublevels

Teacher Resource

## Guidance

This pack contains a set of tracking documents for reception, year 1 and year 2. These can be used as a year group tracking document or individually by class teachers.

Once you have assessed your class using the specific levelled assessment packs (see the links below) use these trackers to input where your children are working.

The light blue areas on each tracker illustrate where we would expect a child in that year group to be working at that point in the school year. This is just for guidance as we understand children develop and progress at different rates. Each tracker also includes the Rhino Readers Levels as you can plot where each child is working within the reading scheme. Using these trackers you can quickly identify children who are working below, at or above the expected level as they progress throughout the year.

When inputting your class's names you might choose to list the children starting with the children who are emerging in that Level, progressing to the children who are nearly ready to move onto the next Level at the top. For example:

	Baseline	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Level 1	Jan Mia Ben Mrs						
Level 2	Jan Mrs Mrs Mrs						

ink saving Eco

Here Mia would be only just within Level 1 after the baseline assessment. Ben and Jay are securely working within the Level. Jan, Mrs Wells and Mrs Tan are working above the expected Level for this point in the year.
