*Handbook of Arts-Based Research* Patricia Leavy, 2025-01-29 The first methods handbook devoted solely to arts based research ABR is now in a thoroughly updated second edition featuring a new section on global perspectives plus new

chapters on critical approaches and documentary film The volume explores the synergies between contemporary artistic and research practices and addresses issues in designing implementing evaluating and publishing ABR studies Chapters are written by leading practitioners of each ABR genre including those based in literature such as narrative inquiry fiction and poetry performance music dance ethnodrama visual arts drawing painting collage installation art comics and audiovisual and multimethod approaches Team approaches ethics social justice concerns and public scholarship are discussed as are innovative ways that ABR is used within creative arts therapies psychology education sociology health sciences and other disciplines The companion website includes selected figures from the book in full color additional online only figures and links to online videos of performance pieces New to This Edition Updated throughout with current research theory and ABR examples Chapters on critical approaches to ABR and on documentary film Chapters on ABR projects in Taiwan Japan and the United Kingdom **Choice** ,2008 Good Question Michael Emme,2017-09-14 Good Question is a textbook intended for children and youth teachers and researchers interested in doing collaborative research in their community The volume starts out as comic book research methods textbook that intends to introduce children and youth to the fundamental structure of the research process its elements and steps as well as with the research activities associated with the different aspects of research practice in general and arts based image based research in particular This unique approach allows children and youth to learn the e craft of researche in a play ful way and to become knowledgeable and competent co researchers with adults contributing to all phases of the study s design The volume encourages teachers and researchers to see the important role of play in teaching children and young people about the research process and gives them the tools to engage children and youth in playful arts based image based inquiries The complexity of exploring collaborative research required an innovative way of overcoming the linearity of a paper bound print text and the way we read it The volume is intentionally organized in three sections starting with the comic book because it invites an openness to layered non linear research literacy The volume also includes an anthology of research examples of conducting arts based image based research with children and several theoretical essays focused on play as research and collaborative arts based image based research The later sections featuring research examples and theory though heavily illustrated have been peer reviewed and formatted more in the academic tradition Thus Good Question represents an attempt to make sense of children s play ful engagement in arts based image based inquiry activities with adults as research By playing with the forms and traditions of the comic book the research methods textbook and the academic book together we have attempted to respectfully disassemble and reassemble book form We invite readers to discover those research conventions that are capable of establishing what is gathered and presented here as collaborative research with children We imagine this volume contributing to the quest e for new ways of living together of generating more and more incisive and inclusive dialoguese Greene 1994 p 459 as both a personal and a collective endeavor **American Handbook of Psychiatry, Second Edition** ,1981 Poetic Inquiry

Monica Prendergast, Carleton Derek Leggo, Pauline Sameshima, 2009 Poetic Inquiry Vibrant Voices in the Social Sciences co edited by Monica Prendergast, Carl Leggo and Pauline Sameshima features many of the foremost scholars working worldwide in aesthetic ways through poetry. The contributors from five countries are all committed to the use of poetry as a way to collect, data, analyze, findings and represent understandings in multidisciplinary social science qualitative research investigations. The creativity and high aesthetic quality of the contributions found in the collection speak for themselves, they are truly as the title indicates vibrant voices. This groundbreaking collection will mark new territories in qualitative research and interpretive inquiry practices at an international level. Poetic Inquiry will contribute to many ongoing and energetic debates in arts based research regarding issues of evaluation, aesthetics, ethics, activism, self study and practice based research while also spelling out some innovative ways of opening up these debates in creative and productive ways. Instructors and students will find the book a clear and comprehensive introduction to poetic inquiry as a research method.
