**One Jump Ahead** Jonathan Schaeffer, 2008-12-16 It's hard to believe that it's been over a decade since *One Jump Ahead Challenging Human Supremacy at Checkers* was published. I'm delighted to have the opportunity to update and expand the book. The first edition ended on a sad note and that was reflected in the writing. It is now eleven years later and the project has come to a satisfying conclusion. Since its inception, the checkers project has consumed eighteen years of my life. Twenty if you count the pre-CHINOOK and post-solving work. It's hard for me to believe that I actually stuck with it for that long. My wife Steph would probably have something witty to say about my obsessive behavior. Rereading the book after a decade was difficult for me. When I originally wrote *One Jump Ahead*, I vowed to be candid in my telling of the story. That meant being honest about what went right and what went wrong. I have been criticized for being hard on some of the characters. That may be so, but I hope everyone will agree that the person receiving the most criticism was justifiably me. I tried to be balanced in the storytelling, reflecting things as they really happened and not as some sanitized everyone-lived-happily-ever-after tale.      **The**

The 6th ed. was published as the Dec 1961 issue.      **Musical Magazine and Musical Courier**, 1891      **Thomas Pynchon** Clifford Mead, 1989 Thomas Pynchon has received an unparalleled amount of criticism in the twenty-five years since the publication of his first novel. Two dozen books, dozens of chapters in other books, hundreds of articles, even his own journal. No other novelist has generated as much criticism in as short a time, making Clifford Mead's bibliography a welcome and indispensable guide. Section one catalogues Pynchon's own writings, books, magazine contributions, reprints, translations, and piracies, while section two offers an exhaustive listing of virtually everything that had been written on Pynchon by 1989. Two special sections enhance the value of this book: one reprints Pynchon's dozen or so endorsements written for other books, most inaccessible or out of print, while the other reprints Pynchon's hitherto unknown contributions to his high school

newspaper The book is illustrated throughout with photographs of dust jacket covers including a trial cover for Gravity's Rainbow rare ephemera and pictures of the young Pynchon from his high school yearbook
