This book is also for young people the age of my grandchildren. I tried to captivate the reader so it reads like an adventure book but everything written is the truth. Of course life has changed very significantly but the obstacles that a person encounters on their way while moving toward their goals remain extremely difficult to overcome and often seem impossible. I hope my story will aid young people in overcoming these difficulties, support in troubled times and help them survive. [**Documents of the Senate of the State of New York**](#) New York (State).
