

Things Fall Apart: Study Guide

Preface (for Teachers):

Please know that it is not necessary that this be a complete study guide that will cover the book in a classroom setting. I have included chart builders and the book. One novel and summary would be fine for the assignment. Doing a full classroom assignment will not work.

There are multiple online study guides and worksheets that build with chapter titles (there are 12 chapters and 12 short assignments total), but it is not all too complete. This will suffice to teach Things Fall Apart.
