Review Digest C. Edward Wall,2002 *The UFO Show* Illinois State University. University Galleries,2000 To say that UFOs have captured the popular imagination of contemporary America would be an understatement while appearances of blinking ellipsoids whirling orbs and have been reported throughout history nowhere has the idea of contact with extraterrestrials taken hold so much as in the postwar United States The UFO Show presents these phenomena in an unexpected way as inspiration and subject matter for contemporary visual art Creating two and three dimensional work relating directly or symbolically to discs saucers and other images common to the subject of UFOs 12 artists including Mariko Mori Ionel Talpazan Keith Haring Panamarenko Oliver Wasow Claire Jervert and Paul Laffoley confront each in their own way a historically ingrained and commercially reinforced locus of millennial obsession Also included here are several provocative essays on the subject
