All My Sons Full Text:

All My Sons Arthur Miller, 2015-02-13 This Student Edition of All My Sons is perfect for students of literature and drama and offers an unrivalled guide to Miller's play. It features an extensive introduction by Toby Zinman which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. As Miller's first successful play on Broadway, All My Sons launched his career and established Miller as America's social critic. A devastating indictment of war profiteering, the play exposes the awful price paid by self-interest and greed fostered by capitalism. Set in 1947 in the Keller family's home in the mid-west, a shattered apple tree stands as a reminder of the pilot son lost during the war. Joe Keller has evaded justice for his part in the deaths of pilots caused by faulty engine parts manufactured in his factory, but the family is unable to put the past behind them.

All My Sons Arthur Miller, 1974 THE STORY During the war Joe Keller and Steve Deever ran a machine shop which made airplane parts. Deever was sent to prison because the firm turned out defective parts causing the deaths of many men. Keller went free and made a lot of money. The The Musical Standard, 1877 *My Lips Play Flute for the Highest* Torleif Elgvin, 2024-11-21 *My Lips Play Flute for the Highest* presents fifty-five poetic texts from the Dead Sea Scrolls and other early Jewish writings: hymns, psalms, liturgies, petitions, visions, and end-time scenarios. In psalms and prayers we may come close to the souls of ancient Judeans who pour out their sufferings, laments, hopes, and praises to their God. We encounter a plurality of end-time hopes, with or without messianic actors on earth. Jewish piety from the last two centuries before the turn of the era emerges vibrant and powerful but also sensitive and full of hope. Introductions to the various scrolls and writings inform readers about how scholars understand these texts and where scholarship locates them in time and space. This book provides a moving and vital entry into early Judaism before the emergence of the Jesus movement and rabbinic Judaism.
