The next legends to clash will be Mestelexil the Box of Desperate Knowledge and Zeljirga the Abyss Web. The first is an infinitely regenerating golem with a near limitless arsenal of lethal weapons at his disposal. The other is a devious trickster whose dark webs extend from the battlefield to intelligence networks the world over, as befitting a member of Obsidian Eyes. The greatest body versus the greatest mind. And as the forces in the shadows continue to move, chaos looms patiently on the horizon.

**At Home in Bali** Made Wijaya, 2000 This beautifully illustrated volume offers an enticing look at the exotic style of the island paradise that has attracted a steady stream of artists, architects, anthropologists, mystics, and celebrities from all over the world. The Lotus Sutra is one of the most revered of Mahayana sacred texts and is sometimes called the king of sutras. Despite this fact, there are very few commentaries in English available today. In Peaceful Action, Open Heart,

Thich Nhat Hanh explores the Sutra's main theme that everyone has the capacity to become a Buddha and that Buddha nature is inherent in everything but he also uniquely emphasizes the sutra's insight that Buddha nature is the basis for peaceful action. Since we all will one day become a Buddha he says we can use mindfulness practices right now to understand and find solutions to current world challenges. In his interpretation of the sutra he suggests that if the practices views and insights of the Lotus Sutra would find application not only by individuals but also by nations it would offer concrete solutions to transform individual suffering and the global challenges facing the world today. Stamped with his signature depth of vision, lucidity and clarity Thich Nhat Hanh's insights invoke a wide range of contemporary topics and concerns such as the Palestinian Israeli war, the threat of terrorism and the degradation of our environment. In proposing radical new ways of finding peaceful solutions to universal contemporary conflicts he not only challenges the United Nations to change from an organization to a real organism working for peace and harmony in the world but also encourages all branches of all governments to act as Sangha. In so doing he demonstrates the practical and direct applicability of this sacred text to today's concerns. This book has been re-released with a new title. The earlier hardcover edition was entitled *Opening the Heart of the Cosmos*.

*The Romance of K'tut Tantri and Indonesia* Timothy Lindsey, 2008 This historiographic study of K'tut Tantri alias Vannen Walker the journalist from the Isle of Man Muriel Pearson the unhappy wife and Surabaya Sue the notorious revolutionary compares her romantic and colorful autobiography Revolt in Paradise with other versions of her past including those of her fellow Bali colonists and her revolutionary comrades as well as her foes the Dutch and various intelligence organizations. These alternative accounts of her past question the image of K'tut Tantri as hero portraying her instead as dishonest, unstable, egotistical and immoral. Such criticisms have overshadowed proper recognition of her role in the development of modern Indonesia both as a bohemian hotelier in between wars Bali and later as propaganda broadcaster and adviser to Indonesian revolutionary leaders including Soekarno Sutomo and Syarifuddin. Focusing on the nature of biography and autobiography this book analyses K'tut Tantri's self-defeating battle to use history in text and film script to define her identity and reappropriate her past. An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses. Finally an attempt is made to reconcile the deconstruction of K'tut Tantri's autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person.

ABOUT THE AUTHOR Timothy Lindsey is Professor of Law, Director of the Asian Law Centre, Director of the Centre for Islamic Law and Society and Federation Fellow in the Law School at the University of Melbourne.
