**All Because of Love** Penelope Marie,2011-10-10 So many times we have dreams and desires that we never want to give up on and we strive to see them become a reality Our lives are easier because of modern technologies that started with a dream or an idea Why is it that our society gives up so easily on marriage When a marriage is failing and love is fading many couples think that divorce is the only way out so they give up on their dreams We live in a throw it away society if it is broken just throw it away and get a new one In All Because of Love author Penelope Marie takes readers on a journey through the realities of marriage She shares how God took her marriage that was failing and her love that was fading and led her and her husband through a journey of restoration No matter what problems are being faced in a marriage there is hope A husband or wife may have deep pain in their heart and soul because of their situation but when they have the necessary tools to repair what is broken and falling apart they are able to make the needed repairs
