This book will enable you to reach informed judgements and argue your point of view with deeper theoretical knowledge and understanding. *Debates in History Teaching* includes: What is happening today in history education? What is the purpose of history teaching? What do history teachers need to know? What are the key trends and issues in international contexts? What is the role of evidence in history teaching and learning? How should you make use of ICT in your lessons? Should moral learning be an aim of history education? How should history learning be assessed? *Debates in History Teaching* remains essential reading for any student or practising teacher engaged in initial training, continuing professional development or Master's level study.

**The Shifting Global World of Youth and Education** Mabel Ann Brown, 2017-08-15. *The Shifting Global World of Youth and Education* explores how increasing migration and population changes are having an unprecedented impact on global education. Given that the number of children of migrant background is growing internationally, there is a need for increasing awareness of the educational attainment and cultural integration of this population group. This book presents international perspectives on migration and youth and analyses what kinds of effects such demographic changes are having on educational systems around the world. The chapters in this volume provide a fascinating insight into how countries around the world are dealing with loss or growth in their young population as well as changes to their education systems. Written by specialist academics from the relevant country, the book covers Cuba, Lithuania, the United Kingdom, the United States, Finland, Greece, Germany, Austria, Hungary, Latvia, China, Australia, India, Italy, and Poland. Taking into consideration the countries' social and political context, the chapters discuss educational issues surrounding curriculum, assessment, and the opportunities available for the support of young people. Conclusions are drawn about what could be done in the future for the benefit of both the migrant and the existing populations. *The Shifting Global World of Youth and Education* will be of great interest to academics, researchers, and postgraduate students in the disciplines of education, sociology, political sciences, and social work. The book will also give secondary teachers, teaching assistants, social workers, and youth workers the opportunity to reflect on their role within a national and international context.
