Or are you looking for a simplified guide to know virtually all there is to survive in the woods? If so, then read on. Bushcraft involves the use of specialized skills and knowledge to survive in an outdoor situation, especially in the wild. Practicing bushcraft and survival mindset, you will discover how to find the best places to practice bushcraft, including how to build a tough survival mindset if you want to make it out of the woods alive. Bushcraft tools and equipment You will be educated on the essential tools and equipment needed to survive in the woods, which cuts across shelter and sleeping kit, carrying kit, cooking and water, personal hygiene and clothing. Surviving in the bush: Everything you need to know to thrive in the woods is discussed here.
