

Chapter 8 and Chapter 9

Chapter 8

Objectives:

- To explore the concept of **allegory**
- To read and discuss Chapter Eight
- To develop understanding of the significance of The Battle of the Windmill through **hotseating**

The Battle of the Windmill

- Read up to the end of Chapter Eight
- Discuss the key events of the chapter. Consider how Chapter Eight develops the **plot, characters and themes** of the novel

In the Hotseat

In Chapter Eight the animals are cheated then attacked by the neighbouring farmer Frederick and his men. The animals win the fight but suffer heavy losses. Animals are killed and the windmill is destroyed for a second time. Following the battle, hotseat the main characters and discuss how they feel.

Allegory

On a simple level Animal Farm can be read as a fairy story about a group of animals that rebel against their human master and try to run the farm themselves. But the book also works on a deeper level where Orwell is exploring ideas about power, corruption and totalitarianism.

This means that *Animal Farm* is an **allegory**.

An **allegory** is a narrative with a **secondary meaning** under the surface. Allegories often have **social, political or moral messages** to convey. The characters in *Animal Farm* represent real historical figures from the era of the USSR and events such as The Battle of the Cowshed and the **revolution** mirror the real events of **World War One and The Purge**.

In the Hotseat

Work in groups of four. Each member of the group must assume the identity of a character from the book either Boxer, Snowball or Frederick. Your teacher will put forward a series of questions about the events of Chapter Eight to each of the characters. Characters must respond to the questions in character role, reflecting a depth of understanding of the character and role. Some possible questions are included on the next slide.

It was a great victory tomorrow.

Life is worse now than under Farmer Jones.

Who might say that?

The number of dead is heart breaking.
