## **Antique Guide Pricing:**

British Antique Furniture John Andrews, 2006 For the past thirty years this book has in its various editions outsold all others on British antique furniture simply because it is unique in explaining what to look for when assessing the value of individual pieces In this the fifth edition the huge financial importance of patination and colour has been explained and illustrated something which has become increasingly important in recent years This classic guide consists of over 1 600 photographs of furniture found in shops and auction rooms throughout the country with the author's down to earth comments on important features which affect individual prices The reader will come to understand the rules and prejudices which apply while the eye will become aware of gradations of quality He will come instinctively to assess the workmanship and how all this affects the final price tag This is above all a reference book for the practicing collector and dealer a work from which the memory may be refreshed and points checked Each item is clearly referenced This enables the annual price revision list to be compiled with a ready cross reference The list is available in January February each year on a private subscription basis and details are contained within the book This new edition contains both Sterling and US prices AUTHOR John Andrews is both a founding member of and the first author published by the Antique Collectors Club His professional background as a market researcher and his love of furniture have made his books unique in their clear explanations and practical factual approach Apart from collecting restoring and writing about furniture he is an active businessman and fiction writer REVIEWS John Andrews has an encyclopaedic knowledge of antiques and history qualifications for writing the first of the longest running of the antique price guides Sunday Telegraph SELLING POINTS The best selling guide to British antique furniture for over thirty years now in its fifth edition with over 400 new colour images Explains in plain language what to look for when assessing value Over 1 650 superb photographs show just how and why values can vary so greatly Colour plates show the financial importance of patination 1150 b w 500 colour illustrations Contains revised prices in both Sterling and US

Schroeder's Antiques Price Guide Bob Huxford, Sharon Huxford, 1996 Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day Schroeder's Antiques Price Guide is still a real bargain at 12 95 Collectors dealers and our customers continue to ask how we can produce this huge 612 page book each year for such a low price It's simple we do it by numbers It's no secret with publishing that the more you print the less expensive each book is So thanks to all our loyal customers who continue to buy our 1 bestselling title we are able to keep the retail price low without sacrificing one bit of quality That is why you get the best for less In August 1999 we will begin shipping the 18th edition of America's top antiques price guide Once again we have included over 50 000 listings each one from all new sources and carefully checked by an authority on each particular subject These 600 expert advisors make sure only the best and most accurate information remains No one person could possibly be an authority on the over 600 categories that fill this reference but Bob and Sharon Huxford and their highly respected team of advisors work year round to

make this the most respected up to date guide in the field of antiques and collectibles Hundreds of sharp original photographs illustrate not only the rare and unusual but also the common collectibles not postage stamp photographs but large close up shots that show important details clearly Each subject is presented with history and other background information Our editors keep abreast of newly developing trends often adding several new categories a year If it merits the interest of today s collector you ll find it in Schroeder s You can feel confident that the information we publish is up to the minute and accurate Without a doubt you ll find Schroeder s Antiques Price Guide the one to buy for factual information quality and the lowest retail price

**Warman's Antique and Collectibles Price Guide** Ellen Schroy,1998 Considered the definitive general price guide to antiques and collectibles this book contains more than 500 collecting categories with tens of thousands of updated price listings and hundreds of photos of the most popular antiques and collectibles
