## PROLOGUE

 Although I often think the only I really need for success these days would be my own personal Power Plant and an easy life style, the world has continued to move forward and would appear as any assessment. The Power Grid system would change over by disapparing without any warning and it would be up to the Federal Energy Agency (FEA) to make sure that the system would not collapse. The FEA would be the main authority in charge of the system and would be responsible for the planning, inspection, Power lines that all citizens and their buildings depended. Many years back my Father and Uncle Frank, business men through and through, built power and water plants across different states
