Microsoft Office XP Developer's Guide Microsoft Corporation, 2001 Exploit powerfully enhanced programmability in Office XP with authoritative information straight from the Microsoft Office development team. This hardcore programming reference comes packed with practical roll-up-your-sleeves resources to help you maximize your productivity with development tools for Microsoft Office, including the Microsoft Visual Basic .NET and Microsoft Visual C# development systems. This guide includes coverage of Workflow Solutions for Microsoft SQL Server TM and Microsoft Exchange, offering both design and coding examples plus API level coding examples. It also covers enhanced support in Microsoft Office XP for Web enabled information sharing and XML. Use this incisive coverage to build on what you know and to accomplish everything from automating individual tasks to creating complex vertical market applications. Each chapter presents dozens of code examples that illustrate the discussion. And the companion CD ROM contains hundreds of procedures you can use right now, helping you to focus your creativity on designing solutions rather than on building rudimentary code. It's everything you need to create better business solutions faster.

Advanced Projects for Microsoft Access 2000 Philip A. Koneman, 2000-07 PROVEN STEP BY STEP APPROACH A class tested, task based, highly visual approach makes it easy to clearly see and understand what you are doing as you work through each project one step at a time. Each project is designed to be completed in a single class or lab session. Every project begins with a Running Case from SELECTIONS Inc, a department store with locations nationwide. You'll also find a list of Objectives that identify what you will learn, the Challenge you will face as you complete the tasks in the project, a suggested Solution to take to accomplish the task, and the Setup that will help you get started on the right foot. Every project ends with a summary, key terms and operations study questions and hands on exercises to help you reinforce and review what you have learned.
