Firestone Tire Recall United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2003
Forum ,2001 **The Business Communication Casebook** James S. O'Rourke, 2002 The 36 real life cases in this collection explore aspects of the communication process in business requiring students to apply theories of communication and integrate them with management strategies Details of the cases come from public sources such as newspapers news gathering organizations and **Bank and Corporate Governance Law Reporter** ,2002 **The National Jury Verdict Review and Analysis** ,2001 **The Power Report on Automotive Marketing** ,1996 *Product Safety & Liability Reporter* ,2002 **Environmental Health Perspectives** ,1993 **Lemon-Aid New and Used Cars and Trucks**
1990-2016 Phil Edmonston, 2015-11-21 This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car and truck book on the market Dr Phil Canada s best known automotive expert for more than forty five years pulls no punches *Car Safety Wars* Michael R. Lemov, 2015-03-19 *Car Safety Wars* is a gripping history of the hundred year struggle to improve the safety of American automobiles and save lives on the highways Described as the equivalent of war by the Supreme Court the battle involved the automobile industry unsung and long forgotten safety heroes at least six US Presidents a reluctant Congress new auto technologies and most of all the mindset of the American public would they demand and be willing to pay for safer cars The *Car Safety Wars* were at first won by consumers and safety advocates The major victory was the enactment in 1966 of a ground breaking federal safety law The safety act was pushed through Congress over the bitter objections of car manufacturers by a major scandal involving General Motors its private detectives Ralph Nader and a gutty cigar chomping old politician The act is a success story for government safety regulation It has cut highway death and injury rates by over seventy percent in the years since its enactment saving more than two million lives and billions of taxpayer dollars But the car safety wars have never ended GM has recently been charged with covering up deadly defects resulting in multiple ignition switch shut offs Toyota has been fined for not reporting fatal unintended acceleration in many models Honda and other companies have for years sold cars incorporating defective air bags These current events suggesting a failure of safety regulation may serve to warn us that safety laws and agencies created with good intentions can be corrupted and strangled over time This book suggests ways to avoid this result but shows that safer cars and highways are a hard road to travel We are only part of the way home *The Unofficial Guide to Buying or Leasing a Car* Donna Howell, 1998-10-09 More than just dealing with the dealership buying or leasing a car means everything from deciding on a model knowing when to get in on the best seasonal car deals how to choose a great used vehicle where to go for affordable financing and what strategies work in the negotiating process This comprehensive authoritative book covers The lowdown on leasing when is it the right choice The bottom line on achieving the best price and avoiding rip offs The inside scoop on how to evaluate options to make an informed decision Quality Donna C. S.

Summers,2006 One of the best ways to learn the fundamental concepts of statistical process control and quality assurance is through application This book provides clear explanations of popular quality tools and techniques insightful case studies plentiful illustrations to support explanations and subject matter relevant to the challenges faced by today s organizations The examples cases and problems have been carefully cultivated from real life experiences of people who apply quality assurance tools and techniques in their day to day work activities Contributors represent a wide cross section of industries including utilities hospitals manufacturing government services and building trades Expanded coverage of Six Sigma and ISO TS 16949 More detail about certifications and careers in quality Updated industry appropriate software Enhanced coverage of the quality masters and their philosophies An introduction to confidence intervals Additional examples cases and problems Continued focus on learning through applications Entertains the professional Not cut and dry like a textbook An excellent resource for anyone who is in business working with Six Sigma Also resourceful for a company doing internal training in the area of quality management Not limited to manufacturing businesses Can also be used in hospitals logistics based companies retail and banking Any type of company where quality assurance is a priority
